Plaintiff,

v.

GAMBLIN ARTISTS COLORS CO.; and
 DOES 1 through 100, inclusive,

Defendant(s).

Case No. C 10-04114 EMC

**STIPULATION AND ORDER
 REGARDING EXPERT DISCOVERY
 DATES**

An expert for one of the parties recently developed health complications requiring surgery, making that expert unavailable for provision of an expert report and trial. The parties want to retain the equity of contemporaneous disclosures so have agreed to move out two weeks all dates related to expert disclosures and expert discovery. Although not currently anticipated, if complications arise related to the expert report from the new expert an additional short time may be required. The parties will address that if it occurs. None of this will impact the trial date or other dates contained in the most recent Case management and Pre-trial Order for Jury Trial.

In the interest of efficient case management, the parties have agreed to amend the dates set forth in the previous Case Management and Pre-Trial Order for Jury Trial as follows:
